

Summer 2025

Malta Diving Courses

Students can opt to follow a scuba diving course leading to an internationally recognized PADI qualification.

This course gives students the chance to experience scuba diving in some of the most impressive sites of the Mediterranean.

PADI OPEN WATER

PRICE €485

This is an entry-level certification in the PADI dive education ladder. Students who successfully complete this course will receive an internationally recognized license to dive with an instructor or dive master to a maximum depth of up to 18m.

ENROLLMENT PROCESS

The course can be booked up to 3 weeks prior to arrival in Malta. Student's and parent's email addresses **MUST** be provided at the time of booking.

Before the student arrives in Malta, parents/legal guardians will receive an email from the diving company to sign all the required documentation.

Students will receive an email from PADI to register, log in, and complete the theory course online:

- ✓ There will be 5 sections, each with a video, a chapter from the book, a knowledge review, and a quick quiz. After section 5 there will be a final exam
- ✓ Theory course is 10 hours or more so book in advance giving the student time to complete this
- ✓ It's mandatory to have completed all the theory and documentation required before arrival
- ✓ Students who do not complete the theory or provide the required documentation on time won't be able to finalize their course*.

COURSE DESCRIPTION

3 full days or else spread over 5 days incorporating 4 open water dives depending on student's performance.

Diving lessons will be organized at Embassy Summer and Dive Centre discretion depending on the school lessons timetable. Diving lessons will replace regular activities of the summer program.

Students will be informed of the scheduled dive lessons upon arrival in Malta.

The Dive Company will arrange transportation for students attending the course (pick up/drop off from/to school/accommodation).

Each session has a briefing, pool session or open water session with a de-brief.

REQUIREMENTS

- ✓ 10 years+
- ✓ Healthy and has a reasonable fitness level
