Where am I covered?

- <u>Trips</u>: You are covered for trips made to your country of temporary residence where you are undertaking your international programme.
- Holidays: You are covered for holidays within or outside your country of temporary residence up to a maximum duration of up to 21 days per holiday, which begins and ends within the period of insurance.

What are my obligations?

- Claim notification should be made as soon as possible after any bodily injury, serious illness, disease, incident, event, redundancy or the discovery of any loss, theft or damage which may lead to a claim under this policy.
- If you suffer a serious illness or bodily injury which leads to you being an inpatient in hospital or before any arrangements are made for repatriation, you must contact the Emergency Assistance Service.
- You must take all reasonable precautions to avoid injury, serious illness, disease, loss, theft or damage and take all reasonable steps to safeguard your property from loss or damage and to recover any lost or stolen property.
- You must take care to answer all questions honestly and to the best of your knowledge. You must not make any misrepresentation of a fact that could influence us in accepting this insurance.
- If, at the time of any incident which results in a claim under this policy, there is another insurance covering the same loss, damage, expense or liability, then you must disclose this to us at the time of submitting a claim.
- You must provide all necessary documentation requested by us at your expense. If you do not provide this any claim may be refused.
- You must not admit, deny, settle, reject, negotiate or make any arrangement for any claim without our permission.

When and how do I pay?

The premium is due immediately on the issue date of the insurance policy. The premium must be paid directly to your school, institution or agency only, as the policyholder.
