# About EC Young Learners and Embassy Summer

Embassy Summer is a trusted global leader in immersion language with over 30 years of experience in delivering rewarding English language programmes for young learners.

At Embassy Summer we provide a truly life-changing experience for students from all over the world.

Working with global centres and schools from around the world we have navigated through many years, challenges, and joys.

Learning English is only part of the journey. Our language programmes are available from 1 week to 9 weeks during the summer and include exciting activities based around our unique life skills. Our summer camps also introduce international students to local social life and culture through a variety of exciting excursions.

# Welcome to Malta

The sun-kissed island of Malta is a treasure trove of beautiful beaches, crystal blue seas, and centuries of history, all topped off with that chilled out Mediterranean vibe.

A good part of any experience in a foreign country is to absorb the lifestyle and cultural differences of the country you are visiting. It might take a few days for you to adapt to the local habits, with things not always being done in the same way which you are accustomed to at home.

It is important that students will be encouraged to enjoy themselves and make the most of their stay in Malta.

Get ready to discover everything this little island with a big personality has to offer, while studying at St Martin's College, a local school.

The Bella Vista Hotel & Canifor Hotels are located in St. Paul's Bay on the outskirts of Qawra and Bugibba which are Malta's largest seaside resort towns. The hotel is 17 km from the airport and only 15 km from Malta's capital city, Valletta. The coastline promenade is within walking distance from the hotel and boasts some of the Islands' best open sea views. There are also views of some of the greenest valleys and country fields in this part of Malta, with Qawra Bay on one side and Wardija Hill on the other.

# Excursions & Activities

A large part of a summer school experience is exploring the local towns and beaches, and attractions with new friends! Two-thirds of the student experience are spent outside the classroom. Consequently, Embassy Summer has dedicated many years to customizing its programs at each location to maximize the overall student adventure.

We recognise that the excursions and activities are as important as the English language classes.

All our programmes include a variety of full day and half day activities, and students also have the opportunity to take part in additional trips (known as optional activities) if they want to explore the locality further.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a

classroom, that they continue to use their English language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

# FAQs

## **What happens if someone loses their passport?**

We strongly advise students to store their passport safely and not carry it around with them. If a student passport is lost, Group leaders must accompany the student to the embassy of their home country, where they will be issued with a temporary replacement or a permit to travel. An Embassy Summer staff member will accompany any student that is not part of a group.

## **What happens if a student gets lost on an excursion?**

The first thing to do is stay where you are, and the member of staff will try to contact the student and get to know the student's location. Then, a member of Embassy Summer staff will come and collect the student.

Every student has an ID Card where the Embassy Summer Emergency Number is printed. Students should call this number if lost.

## **How do students participate in onsite activities?**

Individual students will take part in all activities, which are provided to them before their arrival, explained during

the welcome meeting once at the centre, and advertised on the Activity Noticeboards.

Group Leaders can sign their own group out of activities, but this needs to be discussed at least 48 hours in advance with the Embassy Summer staff.

## **Can students lock their room?**

Yes. All students are issued a key on arrival which provides entry to their residential building, their flat and their room. However, Embassy Summer staff always have a master key which gives access to all bedrooms where our students are.

## **Can students be taken off programme by a member of their family?**

Students can be taken out of the programme by an adult for a short period of time and have to be back to the centre before 23:00, as long the centre gets informed in advance. If a person, who is not a parent, takes a student out of the programme, a parental approval via email must be sent to the Embassy Summer prior to the student's pick up.

The adult, who takes the student away, will be asked to fill in a form where personal details and contact number must be provided. Copy of the original ID of the adult will be taken from the centre.

## **What should we do if there is a problem with a bedroom?**

All the bedrooms are checked prior to the students' arrival. However, if at any time, there is maintenance issue it is essential to report this immediately to one of our Embassy Summer residential members.
