## PROGRAMME HIGHLIGHTS

Our programme is a perfect mix of our signature Embassy Summer content delivered in all of our camps around the world, but also includes location highlights.

All of our programmes offer students the opportunity to improve their English language as well as develop critical life skills such as communication, collaboration, creativity and critical thinking.

Our activities both inside and outside of the classroom focus on these skills with several of our activities also supporting STEM subjects.

In Chengdu we also have a destination focus for our students of nature and history based on the excursions and educational visits we offer which will also be covered in our classes and activities.
