

Embassy Summer Malta Day Programme 2026

About EC Young Learners and Embassy Summer

Embassy Summer is a trusted global leader in immersion language with over 30 years of experience in delivering rewarding English language programmes for young learners.

At Embassy Summer we provide a truly life-changing experience for students from all over the world.

Working with global centres and schools from around the world we have navigated through many years, challenges, and joys.

Learning English is only part of the journey. Our language programmes are available from 1 week to 9 weeks during the summer and include exciting activities based around life skills. Our summer camps also introduce international students to local social life and culture through a variety of exciting excursions.

Embassy Malta Day Programme consists of daily English lessons and social activities from Monday to Friday and is for students ages 12 to 17. English lessons alternate from morning to afternoon every week as shown on the timetables below (please note that changes might apply).

First Day

Students need to be ready to be picked up from EC Malta (St. Julian's) at 08:30 to be taken by private bus to school or their morning activity.

The exact time and activities will be confirmed a week before via e-mail or WharsApp.

Once at school, students will take a one-hour placement test that assesses their grammar, vocabulary, reading, writing, and speaking. Students are tested so they can be placed in the best class for their English level.

They will then attend an induction session delivered by an Embassy Summer staff member, which lasts approximately 30 minutes.

Getting to and From School Activities

A private bus service will take students to and from school and activities. Students will be picked up and dropped off at EC Malta (our adult school in St. Julian's). Parents should ensure that their children are at EC Malta (St. Julian's) every morning for the bus which departs at 08:30, and every afternoon at 18:00 to collect their kids.

Attendance

Students' attendance will be recorded for each lesson and an attendance certificate will be issued at the end of the course only if the attendance is equal or greater than 80%.

Students are placed according to the result they achieve on the placement test. The teachers confirm that they are in the right level on the first two days of school and if they aren't they will be moved accordingly.

If students think that they are not in the right level, they can go to the Academic Office and discuss it with the Academic team.

Excursions & Activities

A large part of a summer school experience is exploring the local towns and beaches, and attractions with new friends! Two thirds of the student experience is spent out and about, away from the classroom and therefore Embassy Summer has spent many years tailoring its programmes in each location to maximise the whole student adventure.

We recognise that the excursions and activities are as important as the English language classes.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a classroom, that they continue to use their English language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

Sandy and rocky beach

Relax, swim and enjoy the sunshine! Have fun playing beach volley and other beach games with your new friend and Activity Leaders.

Comino & the Blue Lagoon

Comino is the smallest island of the Maltese Archipelago, and it is situated between Malta and Gozo. Only 3.5 square kilometers, Comino is car-free with a permanent population of a handful of people. It is the home of the Blue Lagoon known for its transparent, turquoise waters and diverse marine life. This makes it a popular spot with divers, snorklers and swimmers.

Waterpark

Experience the thrill of the wacky "Side Winder", shoot down slides or chill on the "Lazy River!".

You will be given an entrance ticket which will entitles you to unlimited use of all the facilities.

Valletta

Malta's capital city, Valletta, is nothing short of an open-air museum and world heritage site. It is known as Il-Belt in Maltese, meaning "The City". Valletta is dotted with historic cafés, museums, restaurants, banks, hotels and government offices.

Mdina

Mdina, also called The Silent City of Malta, is a fortified hill-top urban settlement located at the very heart of the Maltese Islands.

It was the administrative and political capital of the Maltese Islands until 1530. It is also the oldest continuously inhabited city on the island.

Individual Students

Students who are not part of a group will be assigned to an Embassy Summer guardian group, living on site. The ratio is usually between 10-15 students per group.

Students and their guardians communicate via WhatsApp and through daily meetings.

Students can always refer to their guardians if there are any problems which need to be discussed or if they require any support.

Nationality Mix

Embassy Summer has a truly global nationality mix with students coming to our centres from over 85 countries around the world.

This is what enhances the student experience in terms of learning English, personal development but most importantly having the opportunity to make new friends around the world.
