- ✓ Approximately 17 students per class
- ✓ All lessons delivered in spacious, well equipped classrooms

First Day at school

On the first day, on Thursday, students will be divided into groups to complete a placement test. This test helps determine their Spanish level and includes grammar and writing sections, which are completed online via a shared link.

Students should ensure that their mobile phones are fully charged, as they will need them to access the test link.

After completing the grammar and writing sections, students will take a listening and speaking test with a teacher.

Once all placement tests are finished, students will attend an induction session led by the Centre Manager. During this session, the manager will provide essential information about the centre, the school, meal times, and rules and regulations.

The induction usually lasts around 30 minutes.

Level Placement

Students are placed according to the results of the placement test, their age, and an acceptable nationality split. The teachers confirm that they are in the right class on the first two days of school and if they aren't they will be moved accordingly.

If students think that they are not in the right class, they can discuss it with the Academic team.

Shackleton International School

Excursions & Activities

A key part of the Embassy Summer experience in Valencia is discovering the city, its vibrant neighbourhoods, and local attractions, all while making new friends. Much of the student journey takes place outside the classroom, whether it's a guided Valencia walking tour, a fun afternoon on the beach with volleyball, or exploring the flavours and atmosphere of Mercado Colón. We recognise that excursions and activities are just as important as language lessons themselves.

Every programme includes a broad selection of full-day and half-day trips, with optional activities for students eager to explore further or personalise their summer. Highlights include learning to cook authentic paella in a hands-on cooking course, fun outdoor games in the park Jardines del Turia, and engaging in social sports or cultural workshop. The activity schedule is designed to encourage students to connect in a relaxed and friendly setting, practise Spanish in real-life situations, and, most importantly, enjoy their time in a safe and supportive environment.

With creative evening events, group challenges, and a wide variety of activities, every student will find something to enjoy while making the most of their summer in the beautiful city of Valencia.

This approach ensures students not only improve their Spanish but also build confidence, independence, and friendships that last beyond the summer.

Two week programme Overview

The two-week programme in Valencia is designed to balance Spanish language lessons with cultural and recreational activities, providing students with a full and varied experience. The programme starts on Thursday, with students having lessons each morning during the week, followed by activities in the afternoon and evening. These activities take place both on-site and off-site, offering a varied and dynamic schedule that balances language learning with cultural experiences and social events.

Weekends and evenings are filled with special activities that encourage social interaction and cultural immersion. Students can enjoy tours of iconic landmarks like the Mercado Colón and Jardines del Turia, along with fun-filled events such as the Sports Festival, a beach volleyball afternoon, and a Paella Cooking Workshop.

Optional activities are available for those wishing to deepen their experience, with opportunities to join additional trips. The programme promotes both language development and friendship-building

in a safe, supportive environment, making it an enriching and memorable summer adventure.

FAQs

Are students allowed to go outside the centre by themselves?

No. Students are not allowed to leave the centre on their own under any circumstances, even with parental permission.

Can a student skip an activity?

All activities and school sessions are mandatory. A student may only stay at the centre if they are unwell, in which case they will be supervised by a member of staff.

What happens if someone loses their passport?

We strongly advise students to store their passport safely and not carry it around with them. If a student passport is lost, Group leaders must accompany the student to the embassy of their home country, where they will be issued with a temporary replacement or a permit to travel. An Embassy Summer staff member will accompany any student that is not part of a group.

What happens if a student gets lost on an excursion?

The first thing to do is stay where you are, and the member of staff will try to contact the student and get to know the student's location. Then, a member of Embassy Summer staff will come and collect the student.

Every student has an ID Card where the Embassy Summer Emergency Number is printed. Students should call this number if lost.

How do students participate in onsite activities?

Individual students will take part in all activities, which are provided to them before their arrival, explained during the welcome meeting once at the centre, and advertised on the Activity Noticeboards.

Group Leaders can sign their own group out of activities, but this needs to be discussed at least 48 hours in advance with the Embassy Summer staff.

Can students lock their room?

Yes. All students are issued a key on arrival which provides entry to their residential building, their flat and their room. However, Embassy Summer staff always have a master key which gives access to all bedrooms where our students are.

Can students be taken off programme by a member of their family?

Students can be taken out of the programme by an adult for a short period of time and have to be back to the centre before 23:00, as long the centre gets informed in advance. If a person, who is

not a parent, takes a student out of the programme, a parental approval via email must be sent to the Embassy Summer prior to the student's pick up.

The adult, who takes the student away, will be asked to fill in a form where personal details and contact number must be provided. Copy of the original ID of the adult will be taken from the centre.

What should we do if there is a problem with a bedroom?

All the bedrooms are checked prior to the students' arrival. However, if at any time, there is maintenance issue it is essential to report this immediately to one of our Embassy Summer residential members.

What to do if a member of the group has food allergy/dietary requirements?

Embassy Summer needs to be informed in advance, and it is important to be provided with accurate information. The centre catering staff are very experienced in catering for all kinds of allergies or dietary requirements, so we will be able to meet your needs.

What happens if a student is sick?

If a student is sick and needs medical attention, then the Embassy Summer office will help in making appointments etc. Please

note however that it is not usual for a doctor to visit the centre directly and any trips made to the doctor, dentist or hospital will have to be paid for by the student (including transport where necessary). Students with a group leader will be accompanied by the group leader.
